What is Community Crisis Response?

Community Crisis Response is a short-term, community based support program. Licensed and trauma-trained clinicians are available to provide safety assessments, de-escalation, skill building, and linkage to long term support, including a fast-tracked path to intensive in-home therapy services.

What We Help With:

- Physical or Emotional Trauma
- Escalating Emotional or Behavioral Issues
- School Truancy
- Mental Health Issues
- Running Away From Home
- Suicidal Thoughts
- We provide an alternative to youth entering or exiting a higher level of care
(residential placement, crisis beds, or hospital inpatient stay)
- Caregiver/Child Conflict
