

SAFE ON SOCIAL MEDIA

- Never use your full name when creating an ID
- Never give your phone number to an older guy you meet at the mall or place you like to hang out
- Never share questionable or racy photos via email, text, Instagram, Facebook, etc
- Whatever you do or say on FaceTime can be recorded
- Don't share personal info like your address, phone number or even birthdate
- Don't allow someone you don't know personally to be your "friend" or "follow" you on social media
- Remember: If it's online, it's forever

If you're in a relationship with someone who doesn't value you, it's never too late to ask for help. Call 216.570.8010 or go to FightTraffickingNow.org to learn more.
